# Choose your dream pool...

## Paradise in your garden

Thanks to your own pool, your garden will turn into an oasis of calm, away from the hustle and bustle of everyday life.

An own swimming pool will support a quality of your life, whether as a soothing element after a hard day or everyday fitness training, or simply for a pleasure. After all, glittering water is soothingly refreshing and helps the soul relax.

Why going on holiday when the paradise is in your garden?

Individual solutions for individual requirements

**No room for a pool?** We will always find a place for your pool, e.g. on a garage or other unusual places.

### We offer service & consultation.

We do not supply only dream pools – based on your requirements we will arrange all you need, including a turn key delivery.

The pool can be built and be fully functional within one day.

... A pool with an overflow gutter or without it?

... With a sitting bench or counterflow

**Materials:** Our pools are made of colored throughout polypropylene. On demand it is possible to produce different shapes and sizes of pools.

Despite a permanent exposure to UV radiation and chemicals, a resistant surface finish, which is also pore-free, remains smooth, and therefore easily cleanable.

... With a hem or without

... white color or blue color

... With stairs ... or stepladder
